A drabble, but not my usual style. Anyway, I hope you' like it.

Mötley

Poor lonely Nikki
Saw those ugly dwarfs and killers
Around his house
So he had to hide inside his closet
Then he got a toxic cardiac arrest
And needed Advanced Life Support
With adrenaline shots into his heart
Too much cocaine and smack

Next Tommy was in jail
Because of failed impulse control

He didn't know the rules
It's sad

The same were Vince' grief
And soundless cries
He nearly drowned in alcohol

The hardest thing indeed
Was Mick's psychotic shape
He hadn't the right pills
But with his spine disease
How could he do his job so well?
